

FORSYTHE

Square Footage: 1,903

The Forsythe, with 2 car garage, unique angled foyer, dramatic 2-story Great Room and feature packed Master Suite, captures the best new trends in home design...

An entry room, appointed for formal dining, readily adapts to more informal use based on owner needs. The 2-story Great Room plus Breakfast room, adjacent to the snack bar kitchen, are surrounded by natural light to warmly welcome all who gather here.

A convenient platform stairway leads to the second floor where the master suite, with 2 walk-in closets and luxurious master bath, spans the front of the home. The well placed laundry room, bath and 2 additional spacious bedrooms complete this level.

Bedroom # 3 is creatively positioned for flexibility. Would you like this area to become a loft overlooking the Great Room? If so, Kay Builders will happily CUSTOM-i-ZE for you.

Featuring 1903 sq ft., plus lots of volume space and flexibility, many think this Forsythe home was perfectly designed with them in mind.
