...A formal dining room and 2-story foyer/gallery area, perfect for art display and furniture placement greet entering guests. Casual living abounds in the country kitchen with spacious breakfast table area and adjacent 2-story family room. The master suite, tucked away for privacy, features multiple closets and elegant bath complete with double vanities, a dressing table and relaxing corner soaking tub.

The significantly sized upper level offers many alternatives. A substantial loft overlooking the family room can serve as a relaxing TV area/ study while 2 expansive bedrooms with walk-in closets and hall bath are ready for guests or easily converted to a 2nd master suite. The choice is yours!
