

# NORWOOD

Square Footage: 1,713

At 1,713 sq. ft. this home brings you the feel of a much larger home with all the amenities at a great value...

The efficient design of the amenity filled 1713 sq. ft. Norwood provides the feel of a much larger home at an exceptional value. The entry room is separated from the open spaces of the great room, dining room and kitchen by a centrally located U-shaped stairway, making this room ideal for either formal or informal use. With a kitchen, snack bar, and dining room adjacent to the great room, the dining room can remain formal or be converted to a large eat-in country kitchen. Flexibility is key!

A convenient mud room off the garage makes unloading groceries a breeze. Positioned directly across from the central stairway, it also offers private access to the upper level which is divided into two wings. One wing features a luxurious vaulted ceiling master bedroom, spacious master bath and walk-in closet. The other includes a convenient laundry room, hall bath and 2 additional bedrooms.
