Circle top windows, a hipped roof and gabled garage distinguish the exterior of this 2126 sq. ft. Olympia home...

OLYMPIA

KAY BUILDERS
5 DECADES OF EXCELLENCE

OLYMPIA

Square Footage: 2,126

...Volume ceilings plus an impressive 2-story archway lead guests from the foyer and dining room into the informal portion of the home. Details of the 2-story Great Room, with its angled breakfast bar provide a gracious welcome where family and friends can socialize or visit with the "chef". A generously sized kitchen, breakfast table area and pantry maintain the function of a separate work space. The spacious 1st floor master bedroom suite includes 2 large walk-in closets and a full salon bath providing relaxation at the end of a busy day. A guest powder room and laundry/mud room complete this wing.

The 2nd floor offers 2 bedrooms, full bath, roomy loft and a 3rd bedroom option with balcony overlook. Charm and function keynote the Olympia making it perfect for a wide range of lifestyles.
