AVON

1,938 sq. ft.

The covered porch entry to this 1,938 sq. ft., 2-car garage Avon home offers welcome shelter to guests as they enter through an open foyer into a vast, window filled Great Room-Dining area combination.

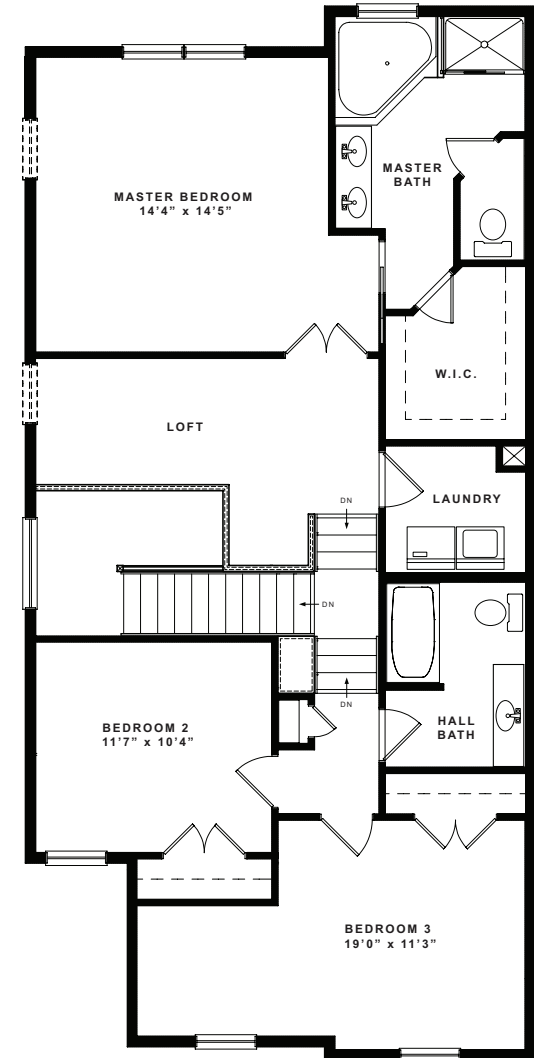

The kitchen, conveniently located adjacent to both provides a practical snack bar area where family and guests can gather to keep the cook company.

On the 2nd level, a master bedroom, with split stairway access, spacious walk-in closet and luxurious salon bath with privacy toilet, provides comfortable seclusion. The loft, adjacent to the master bedroom, overlooks the open foyer and offers excellent flexibility. Use it as a home office/computer station, combine it into a master suite with sitting room or make it whatever you want. The choice is yours!

2 additional bedrooms, one with a spacious walk-in closet, plus a convenient laundry area make this Avon home, available as a front or side entry, perfect for a variety of living styles.
