

DELACOURT

DELACOURT

2,450 sq. ft.

With its covered porch entry, multiple rooflines and clearstory windows this innovative 2,450 sq. ft. courtyard ranch home offers elegant, convenient living spaces both inside and out.....

The spacious welcoming foyer, with its oversized closet, flows into the strategically located Great Room, Gathering Room and Country Kitchen - the areas where family life is centered. The secluded private courtyard, accessible from several areas, seamlessly merges indoor and outdoor spaces making it the perfect spot to garden, barbecue, relax and entertain.

Featured on the opposite side of the home are the Master Suite hide-away, with its private courtyard entry, 2 additional bedrooms and bath. Bedroom #3, located at the front of the home offers ideal flex space for use as a library, parlor or occasional guest quarters. Gathering spaces, private places, a memory point courtyard and outstanding curb appeal are just a few of the unique features to make the Delacourt your home of choice.
