From a stunning Palladian window exterior to its perfectly positioned Great Room, the London is the ideal empty nester or starter home.

A gracious foyer, dining room and cathedral ceiling living room (study/den) greet guests as they enter. While the rear of the home with its spacious, dramatic Great Room, fireplace and highly efficient kitchen, including both a snack counter and breakfast nook, become the focus for family time.

One wing of this home features a master suite with walk-in closet, elegant salon bath and a strategically positioned laundry room. At the opposite wing, 2 additional bedrooms plus full bath provide privacy for all. The many adaptable features of this single floor living design make it the perfect choice for a variety of lifestyles.
